Dear Sgt. Bremer:

On behalf of the NJSACOP Certification Committee Board of Directors, it is my pleasure to inform you that your Certified Law Enforcement Executive Program application has been reviewed and **approved**.

Congratulations! As a newly-designated **Certified-Eligible Chief Law Enforcement Executive**, you will receive a certificate attesting to your achievement that we hope you will be proud to display.

Please remember that in order to keep your Certified status current, you are required to re-certify every three (3) years. Re-certification applications are due by the last day of the year of your initial certification. Additionally, if you are appointed as the Chief Executive of a law enforcement agency, you will automatically be entered upon the rolls of Certified Chief Law Enforcement Executives, and will receive a certificate indicating this change in your status. Please refer to the Program Guidelines on our website for more information about this and other issues related to maintaining your certified status.

Once again, congratulations on your achievement. We wish you continued success in your law enforcement career.

Sincerely,

Mitchell C. Sklar  
Executive Director, NJSACOP  
Secretary, Certification Board of Directors
